

COVENANT BIBLE COLLEGE

Church Planting

February 13 & 20, 2010

Instructor: Rev. Robert Evans

Early Registration Deadline: February 7, 2010

Course Syllabus

I. Description:

In this class, New Testament examples of how churches were planted and established will be covered, also the spiritual and practical aspects of how to be a successful and healthy congregation.

II. Objectives:

At the successful completion of the course, the student will be able to:

A. Knowledge:

1. Understand the composition of the church.
2. Comprehend the spiritual forces involved in church planting.
3. Discover natural tools available for church planting.

B. Skills:

1. Demonstrate a working knowledge of the spiritual and natural tools discovered for church planting.
2. Detect critical issues concerning why new church plants today fail and why they succeed.

C. Attitudes:

1. Gain an increased appreciation for church planters.
2. Gain an increased sense of responsibility to apply church planting skills and attitudes whether planting a church or helping an existing church.

III. Textbook: Heaven on Earth by Alan Vincent

IV. Requirements:

1. Book must be read completely.
2. Term paper must be completed by: March 22, 2010

V. Grading:

1. Test on Book 25 %
2. Mid Term 25%
3. Final Test 25%
4. Term Paper 25%
